# Superday 2022 Cornhole Rules

- Teams will check in at the Dunbar Field (infield) supervisor's table 15 minutes prior to game time.
- Tournament will be capped at 20 teams for doubles and 20 for individual play.
- The event will be a single elimination tournament.
- Good sportsmanship is REQUIRED from all participants and fans.
- Alcohol is prohibited in the parks and on the field.
- Both players must be present to start a match.
- No cleats or spikes allowed. Tennis shoes, barefoot or sandals are permitted.
- Teams will provide their own uniforms; dress to impress! Please remember, this is a family event. The tournament director has the authority to deem subject matter inappropriate and has the right to disqualify players whose clothing includes but not limited to explicit content, inappropriate language, or suggestive themes.
- All matches will start at their predetermined times. There is a 5 minute grace period for teams to arrive, until a forfeit is declared.
- Teams will referee/score their own matches.
- Final scores will be reported to the supervisor's table by the team rep following each match.
- Boards are placed 27 feet from the front edge to front edge.
- Game shall be played to the predetermined number of 21 pts. The first player/team to reach (or exceed) that amount at the conclusion of an inning is the winner.
- **Woody**: Refers to any cornhole bag that has been pitched and remains on the cornhole board playing surface at the conclusion of the frame. **Each woody is 1pt.**
- A bag that comes to rest touching the ground and the board does not count as a point.
- **Cornhole**: Refers to any cornhole bag that has been pitched and passes through the cornhole board at anytime within the frame. **Each cornhole is 3pts.**
- **Cancellation Scoring**: The approved method of scoring for the sport of cornhole is "cancellation" scoring. In cancellation scoring, the points of one player cancel out the points of their opponent. Using this method, only one player/team can score in each frame.
- Both players play one board at a time and stay in their designated lane for the whole game (right or left).
- Players start the game at one board and alternate pitching bags until each player has pitched all (4) of their bags.
- Players then walk to the end of their lane to the other board, take score, and resume pitching back to the other cornhole board. (This rule is for singles only).
- Players must deliver the bag with an underneath release.
- Feet must stay behind the line of the front of the board at the time of releasing the bag.
- The player/team who scored in the preceding frame pitches first in the next frame. If neither player/team scores, the player/team who pitches first in the preceding frame shall retain first pitch in the next frame.
- If bags become piled inside the hole and may interfere or obstruct with the next pitch or if there is question whether a cornhole bag would have naturally fallen through the hole, a player may request to rake the cornhole bags that have fallen inside the hole.
