Superday 2023 Adult Kickball Tournament Rules

Game Rules

- The away team will always kick first to begin each game.
- Games will consist of 5 innings or a 40-minute running clock. If the game ends due to time expiration, we will finish the inning (unless the home team is winning). If the score remains tied at the end of the final inning, a coin flip will determine the winner.
- Kicking teams will provide a pitcher to pitch to their teammates.
- No bunting. A bunt will be at the discretion of the umpire. Bunts will count as fouls.
- No stealing or leading off. A runner may only move off the base after the ball has been kicked.
- An out is any of the following:
 - 3 consecutive fouls. Any kicked ball (fair or foul) that is caught before it hits the ground. A runner touched by the ball at any time while not on a base (unless hit above the shoulders). A ball tag on a base to which a runner is forced to run. A runner leading off the base or stealing. Kicking out of order. A “bouncie” that hits a baserunner.
 - Hitting a runner above the shoulders (head or neck) is not allowed and will not be counted as an out.
- Teams may have one “roamer” on defense. A roamer is a defensive player near the pitcher, behind the imaginary line between 1st and 3rd base. The roamer may not pass this line until the ball is kicked.
- All kicks must occur at or behind home plate.
- Fielders shall remain out of the baseline when baserunners are advancing bases.
- In case of a flyout, runners must go back and tag their originating base before running to the next base.
- A kick landing out of bounds is considered foul.
- A play is considered dead once the ball is returned to the pitching circle.
- All field players except the roamer, must remain behind the baseline until the ball is kicked.
- Maximum 10 field players allowed. There will be an 8-run limit per half inning.
