RESERVATION POLICIES AND PROCEDURES

These scheduling policies and procedures are intended to assist you when making facility reservations. It is the intent of the Programs & Facilities staff to see that facilities are used to their full potential while maintaining a safe, quality environment.

The Programs & Facilities staff will work to avoid scheduling conflicts while servicing multiple user groups. The staff can typically accommodate field needs if teams are **flexible**. Fields are reserved to the best of our ability/availability; but specific fields requested are not guaranteed.

The 2025 ballfield season officially starts on April 1st and runs through October 31st. **FIELDS WILL BE CLOSED NOVEMBER 1ST – MARCH 31ST.**

FIELD RESERVATIONS

The process of reserving field space requires a completed Athletic Facility Rental Reservation Guide/Agreement signed and Certificate of Insurance. **Reservations will not be allowed to take place on City fields until all items are received.**

1. **Application for Organized Activities:** Any group/coach/team who desires to reserve any City of Cheyenne Athletic Facilities for organized activities must complete an Athletic Facility Rental Reservation Guide/Agreement with the Programs & Facilities Division, 4603 Lions Park Dr., Cheyenne, WY 82001. Office hours are Monday-Friday from 7:30am – 4:30pm.
 - a. Applications for seasonal practices and game use will be accepted for the calendar year beginning January 2nd for the upcoming season. Annual tournament requests will be accepted November 22, 2024. We will allow exemptions for State, National, Regional, and World tournaments/events. Practice/Game reservations will be accepted on the third Monday of the month for the following month (i.e., reservations for April 2025 will be accepted starting the third Monday in March 2025). Field reservations will be accepted in order by email beginning at 8:00am. Any email before 8:00am will be put at the bottom of the list.

- b. Everyone will be allowed to reserve three time slots per week [Monday-Sunday]. If additional reservations are desired, requests may be submitted following initial scheduling. **Time slots per week could change due to the increased number of teams, organizations, and field availability.**
 - c. Emails subject line must have the title of the Team Name/Coach/Organization. Email must consist of date, time, base/pitching distances, if it is a practice or game, and identify two to three fields of choice (first field being the most preferred).
2. For weekday rentals, a minimum of 24-hour advanced notice is required to guarantee the reserved field will be prepped (field will still be available to be reserved, but prepping is not guaranteed). **For weekend rentals, the user group must reserve the field by Thursday at 3:00pm for a guarantee that the reserved field will be prepped.**
3. There are three practice times available for user groups to select during the week. These practices are only available in 1.5-hour increments. The practice times are 4:00pm, 5:30pm, and 7:00pm.

In these cases, synthetic field availability may be postponed. All other fields follow the above-posted practice times unless it is a tournament or clinic.

CANCELATION/CHANGES POLICY

CANCELATIONS DUE TO WEATHER

The decision on cancelation due to inclement weather conditions or poor field conditions rests with the following:

Weekday Cancellations

1. Cancellations due to weather will be made by the City of Cheyenne Parks Division. Decisions will be made **by 3:30pm, Monday-Thursday and 12:30pm on Fridays**. In the event games are canceled, the Programs & Facilities Manager will send notice via email to the organization representative.
 - a. It is the responsibility of the organization representative to notify the team(s) affected. This includes, but is not limited to, any travel teams that may be traveling to Cheyenne. If the City of Cheyenne Parks Division cancels play due to weather or declares a safety closure, user groups will either be refunded or not billed.
2. After 3:30pm, cancelation decisions will be made by the organizations or umpires at each specific complex. The decision itself should be made based on good judgment. We ask each organization not to allow use of facilities if use might result in damaging the infield or turf area being used,

resulting in the potential loss of facility use for several days. **If an organization or umpire determines a field is unplayable after 3:30pm, the user group must advise the Programs & Facilities Manager by noon the following business day and have the cancellation approved by the Programs & Facilities Manager to receive a refund or not to be billed.**

3. Temperature/Wind – practices/games will be allowed to cancel if the ambient temperature is 38 degrees or if the windchill factor is lower than said temperature. If the wind is blowing (not gusts) 32 mph or greater; the group will be allowed to cancel. The organization will be responsible to inform the Programs & Facilities Manager that it was canceled the next business day by noon, or they will still be charged for their reservation. The Programs & Facilities Manager does check the weather to see if the temperature/wind was accurate.
4. Note- Makeup of cancellations will be scheduled by the affected organization during their normal use times and dates. If extra times or dates are needed outside of normal use, each organization must contact the Programs & Facilities Manager to approve those times or dates.

Weekend Games/Tournaments

1. Following mid-day weather events, if fields are unplayable or deemed unsafe for play, City crews will not return for additional prep. For all reserved weekend play (start time 9:00am or later) the Parks Division will provide one initial prep of the field. User groups are responsible for calling the “on-call” phone number, **(307) 630-0224**, for cancellation updates on weekends and holidays. At this time the “on-call” staff member will make the determination of fields that are playable.
 - a. **Should inclement weather occur after 9:00am, cancellation decisions will be made by the organization or umpires at each field.** If a coach or umpire determines a field is unplayable, the user group must advise the Programs & Facilities Manager by noon the following business day not to be billed or receive a refund pending approval of the Programs & Facilities Manager.
 - b. **24/36-hour Tournament** – if the start time for a tournament is in the evening, the Parks Division will not come back out to prep a field if inclement weather transpires (Monday-Thursday, after 3:00pm; Friday, after 12:00pm).

OTHER CANCELATIONS

1. For any cancellations that are not pertaining to inclement weather, **a 5-day notice is required.** This notice needs to be sent via email to the Programs & Facilities Division Manager. If the coach or organization does not provide a 5-day notice of their reservation cancellation, the account where the reservation was made will be charged and it will be the responsibility of the user group/organization to pay the balance.

CHANGES

1. Any adjustment to a date, time, location, or field dimensions will be considered a change, and a **\$10.00 administration fee** will be assessed (does not apply to inclement weather changes).
2. All changes will need to be sent in an email to the Programs & Facilities Manager.

3. A **\$50.00** fine will be imposed if the emergency number is called for something that is the responsibility of the organization. It is important for each group to be prepared for their reservations and coordinate accordingly. Example: If lights are being used, the key must be checked out during office hours unless a field supervisor has been assigned to turn on the lights for you. Check with field supervisors and concessions staff for assistance prior to contacting the on-

call staff.

4. Teams will be charged a fine of \$100.00 if players are found to be using metal cleats on synthetic fields. Repeated violation of this rule will result in a ban from the premises for the rest of the season.
